

Weymouth,

April 3^d 1877

Dear Mr. Clarke,

I copy herewith the passage in the chapter on "Eastern Life," as I wish it to read, thus: — (Vol. II p. 370. line 12th from the bottom.)

"The lands of the pyramids, of the desert & of the Sepulchre; —"

This correction adds to the sense by including one more fact, & besides, balances the sentence more euphony: — but it may be more difficult to do than I am aware of.

I leave it to your judgment, whether to do it or not. I should like it corrected thus, if it may be so. With thanks for your kindness I am your obliged

A. W. Chapman.
